Workplace Operations and Office Manager professional with 7+ years of San Francisco experience owning daily facilities, vendor and contractor management, internal events, onboarding, and concierge-level employee experience across tech, nonprofit, and coworking environments.

WORK EXPERIENCE

Workplace Generalist | *Rho, San Francisco, CA* | *March 2026 – Present*

- Serving as sole project owner for the ground-up build-out of Rho's San Francisco headquarters — leading construction sequencing, space layout design, and amenity program across 3 floors with no general contractor, coordinating 15+ vendors and contractors simultaneously
- Designing and executing the full SF workplace experience, including space planning, kitchen and amenity installation, AV infrastructure, signage, and furniture coordination — building the office from shell to fully operational
- Driving cost optimization through strategic contractor negotiations and creative problem-solving on build issues, consistently bringing proposals in under initial estimates and eliminating unnecessary change orders
- Serves as primary liaison between executive leadership (including CEO walkthroughs), contractors, building management, AV teams, and signage vendors; provides regular project updates and manages timeline to completion

Senior Office Coordinator | *Klaviyo, San Francisco, CA* | *May 2025 – December 2025*

- Led end-to-end remodel of a modular event space — managed AV installation, secured electrical permits through the City of San Francisco, sourced and procured furniture via cross-country travel, and delivered the full project \$30K under budget; space supports All-Hands, off-sites, and client events for 200+ employees
- Designed the SF office environment including art curation and a full plant program, creating a biophilic, brand-aligned workplace that elevated the day-to-day employee experience
- Managed enterprise vendor portfolio including CBRE, Knotel, and WeWork; oversaw outside contractors and partnered with building security and safety teams on access, inspections, and response protocols
- Built and implemented internal service catalog in Freshworks and Jira, partnering with IT to eliminate redundant workflows and streamline service ticket submission; drove measurable improvement in response times and customer satisfaction

Office Coordinator | *BRIDGE Housing, San Francisco, CA* | *May 2024 – May 2025*

- Served as central workplace point of contact and concierge for executive leadership (CFO, HR, Marketing) and 500+ employees across corporate and property management staff
- Conducted daily facilities walkthroughs of conference rooms, kitchens, and restrooms; stocked and maintained office supplies, amenities, and swag inventory; managed all incoming and outgoing mail and packages
- Managed vendor relationships, supervised outside contractors for facility services, security, and safety; partnered with IT via Jira to streamline service ticket submission and reduce operational redundancies
- Launched break-room concessions program and in-office engagement initiatives that increased on-site attendance by 35% and strengthened company culture

IT Analyst (Workplace Operations Hybrid) | *Werqwise, San Francisco, CA* | *Jan 2023 – Dec 2023*

- Served as primary liaison with building management, security, and safety teams across two sites (SF and San Mateo); coordinated maintenance, inspections, vendor services, and real-time incident response
- Owned AV and IT infrastructure for all conference rooms and Zoom-enabled meeting spaces; managed network, print, and digital signage services for members and staff
- Implemented Optisign digital signage system, reducing annual spend by \$15K while delivering expanded features; company adopted solution across all locations

Member Experience Associate | *Aug 2021 – Dec 2022*

- Managed front desk operations including reception, concierge services, visitor handling, shipping logistics, and member CRM (Nexodus) for a high-volume coworking environment
- Drove member retention from open churn to 3.5% through proactive engagement programming, on-site events, and superior service delivery

Office Manager | *ConnectionsSF, San Francisco, CA* | *June 2019 – April 2020*

- Led full office operations including vendor management, onboarding/offboarding, account reconciliation, and document management for a multi-team organization
- Served as escalation point for supervisors across departments; conceived, planned, and executed member events including seasonal parties and community programming
